

Happy Chanukah!

How To Play Dreidel

Everyone puts a piece of Chanukah gelt (chocolate coins) into the dreidel pot. If you don't have gelt, you can use peanuts, pennies or just about anything. Take turns spinning. If the dreidel lands on noon (**נ**), you get nothing. If it lands on gimel (**ג**), you get all the gelt. If it lands on hey (**ה**), you get half the gelt. And if it lands on shin (**ש**), you need to put a piece into the dreidel pot. The letters each stand for a word in a sentence: *Nes Gadol Hayah Sham*, which means "A big miracle happened there." In Israel the shin (**ש**) is replaced with a pey (**פ**), and the sentence reads *Nes Gadol Hayah Peh*, which means "A big miracle happened here."
